WELCOME

A unique, local and friendly racecourse with some of the best views in the country.

Set high on the Sussex Downs we have an outstanding panorama of the vibrant city of Brighton and the sea - Brighton Racecourse truly offers one of the most picturesque racecourse settings in the country.

We host 21 flat racing fixtures from April to October and our annual three day August Festival - including our fabulous Ladies' Day - where the most glamorous congregate! The increasingly popular Gentlemen's Day, as well as our Sunday Funday in late summer, offers entertainment to suit everyone.

We are more than just a racecourse though, we offer the perfect location for meetings, exhibitions and fairs, team building, parties and celebrations, with free parking and wifi.
